Physician Liaison Program

The members of Prince George's Medical Staff are Dimensions Healthcare System's partners in healthcare. One of the newest programs that Dimensions is developing is the Physician Liaison Program. **Edana Perry** is the Physician Liaison for Prince George's Hospital. Ms. Perry is located in the Medical Staff Office on the 4th floor (ACF Building) and can be reached at (301) 583-4053. She is available to talk with you at your convenience.

Conscious Sedation

All practitioners who perform invasive procedures are now required to either have conscious sedation privileges OR ensure that an anesthesiologist/CRNA is available for each procedure.

If you still need conscious sedation privileges, please contact **Aldrage Bryant** in the Medical Staff Office at 301-618-3552.
